Dear Major Dr. V.A. Narayana
Prof. and Principal
CMR College of Engg. & Tech.
Hyderabad India

It is my pleasure to inform that Royal Academy of Engineering, UK has sanctioned a project titled "Making Deep Learning and AI skills mainstream in India to fulfil trilateral needs of entrepreneurship, Industry-academia partnership and application-inspired Engineering Research" worth £ 3,39,000 GBP. The project start date is 02 April, 2018 and end date is 30 April, 2020.

University College London and Brunel University are our UK partners. NVIDIA, Videoken, Edvantics and AWS Educate unit of Amazon are our Industry Partners.

As per the project structure there are Collaborators spread across different states of India, who will be lead institution in their surrounding geographical area.

This document notifies your institution as a Collaborator and Dr. Koppula Vijaya Kumar as Lead Coordinator from your institution.

Any change in Lead Contact should be duly informed. Any defaulting behaviour on key aspects of the projects may lead to the cancellation of the status.

We are continuously trying to further upscale the project in terms of funding, partners and resources. Your continuous involvement will be key to making this project as a key milestone in Artificial Intelligence Revolution in India and enable your institution to excel.

With sincere thanks and regards

Prof. Deepak Garg
