1.0 INTRODUCTION

CMR College of engineering and Technology established in the year 2002. It one of the premier Institute in Telangana state, India . Faculty in the departments are experienced in teaching. Industry and research capable to handle consultancy works. In this connection Institution started consultancy service cell Civil Engineering ,Electrical and Electronics Engineering, Electronics and Communication Engineering Computer Science Engineering, mechanical Engineering and Master of Business Administration. To stream the activities consultancy service cell established with principal as chairman and Departmental heads as co-coordinators (the areas of consultancy department wise mentioned).

Objective:-

1. Institute provides support to the client by consultancy in various disciplines beneficial to the society and industry
2. Facilitate consultation and testing services with the infrastructure of institute.

To encourage the faculty to actively involve is consultancy work beside their academic, research and update the same to the faculty to impart technical knowledge in concern with the client.

Vision

To be a platform to offer best technical services to the client

Mission

1. To develop products and consultancy services as per client's requirement.
2. Provide consultancy to the startups, entrepreneurs and small / medium scale industries
3. Bridge the gap between Institute and Industry for the development.

2.0 CONSULTANCY POLICY

2.1. Scope of Consultancy Works

Consultancy services cell offer services to Industry, Government Agencies, Private and Public Enterprises, Product Development Centers and Startups.

Area of consultancy include feasibility surveys, product design, product development, Software and hardware design ecology and environment

2.2 Consultancy Rules

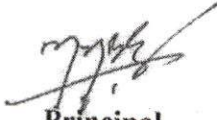

1. Consultancy works are taken up by the concerned coordinators.
2. Consultancy works are taken up by consultant with the approval from competent authority (chairman of the consultancies committee)
3. Work progress shall be intimated by the concerned team to their coordinator.
4. The data shall not be disclosed by the members of the team executing the work to any one in oral/written/mail without approval of the coordinator.
5. The meeting will be conducted by twice in a year and as and when required
6. The activities will be imitated to IQAC

2.3 Sharing of Consultancy Fees

The receivables by consultancy works from the client after statutory deductions can be shared

S.No	Activity	Remuneration
1	Consultancy Services	60% to the Consulting Faculty Institute 40% to the Institute

POLICY GUIDELINES ON CONSULTANCY PROJECTS

1. The faculty in any Higher Education Institute are expected to take up consultancy projects and contribute to the growth of Institute, Industry and thereby to the nation. Following are the guidelines for taking up consultancy projects by the faculty of the Institution.

- (a) Consultancy Projects should be proposed through and approved by the Head of the Department.
- (b) The Head of the Department will form a group of faculty to undertake and execute a consultancy project.
- (c) The Head of the Department must submit the details of expenditure incurred and the amount received from the client, in executing the consultancy project to the Principal.
- (d) 40% of the approved balance amount of the project may be given to the Institute.
- (e) 60% of the approved balance amount of the project may be given to the faculty involved in the execution of the project. Head of the Department to submit details of distribution of the balance amount to the faculty involved and seek approval of the Principal.
- (f) Documentation to the effect is required to be maintained by the Department.

2. The guidelines given above are to be followed with immediate effect.
